these small paradise. The light, the sound
of the sea, the seagulls living round here ...
and the "private" seagull that is living
here, in Rorbua. Absolutely wonderful!!!

thanks a lot for our wonderful stay
here, at North Cape. We drove here
for 5 days, all the way from
st-petersburg, and it was the best
place to go for. Hope to come here
again, sometime in the future.

We enjoyed every minute of the eight nights we spent in the cold, dark Nordkapp winter! We came hoping to see the Northern Lights and were not dissapointed, leaving with some wonderful photos and memories. The cabin was welcoming, cosy and warm, the scenery beautiful, and the surroundings peaceful and quiet. Thank you Frode for all your help and kindness, we have had a lovely holiday. Amy & Rob, England.

Dear Sylvi & Frode,
we so much enjoyed our picturesque stay here! ... among nature, no TV, in this strange 24h light ... we almost didn't make out when it was time to sleep! It was fun taking photos on the deck & waiting for the midnight sun, our hands definitely frozen, trying to take the best snap to take home with us! Thank you for giving us the chance to live this extra-ordinary experience, in this peaceful place ... and in this tidy and well-equipped fisherman's hut. -> Hope to be so lucky in the rest of Norway, too!

15/08/2005 We've been really lucky to find such a warm and nice ~~house~~
cottage. Frode has been very kind and friendly. We are sorry

Unluckly tomorrow we have to drive away since we have
reached our aim, but we know will come back some ~~day~~
(perhaps in winter).

P.S.: The fact that there is no electricity makes ~~at~~ the atmosphere
of the cottage still closer and warmer.

We stayed for 2 nights on this lovely island and in this beautiful cabin! We've been travelling for nearly 1 week now (through Sweden & Finland) and this is a great place to catch your breath, enjoy the rugged landscape and be lulled to sleep by the sound of the sea. Thank you for a lovely stay - we won't forget it!

Hi,

We (Neeru, Hemant & Sachi) are ^{INDIANS} from FINLAND.

JUNE-07

This is our 3rd visit to the North Cape. Lovely place!!!

We never got a chance to stay here in North Cape, the previous 2 times. Our friends recommended us to stay here in North Cape Cabins. It surely was a good recommendation. The view is spectacular from Nisa.

Mr. Frode is a very welcoming host. We all enjoyed alot here in North Cape, & the Cabin Nisa.

With fond memories & Regards
